

Getting Started

Welcome to South Lyon Area Girl Scouts!
We affectionately refer to ourselves as SLAGS.

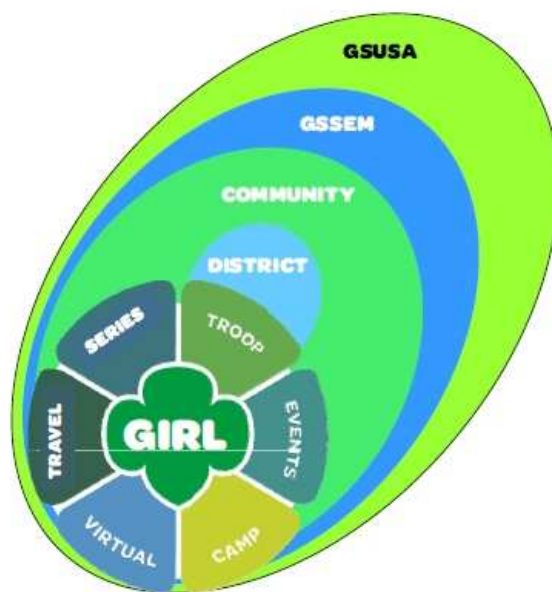

Here's a quick guide to show you how we now report up to our GSSEM Council and then onto GSUSA.

Our Girl Scout Council is:
Girl Scouts of Southeastern Michigan (GSSEM)

Each year GSSEM, like other councils around the country will make changes to adapt and meet the needs of it's members, as well as, attract and retain new members.

Below is a graphic which explains our current structure.

The "Egg"

- 50-60 districts
– 400-700 girls per
- 12 communities
– 4-8 districts per
- One unified GSSEM executing a nationally consistent leadership experience for girls K-12

You'll get more in-depth information about this structure from your training classes.

In South Lyon we're broken into "Clusters" that are organized by School.

The Troop Organizer (TO) at your school supports the Cluster Troop's within the school and then reports back to our District Leadership team.

Please note that this handbook is not an official publication of either GSSEM or GSUSA. When in doubt, please contact your TO or Leader Support Coordinator (LSC).

First, create a login for yourself on the SLAGS website. The website is a tool we use to keep in touch with our leaders and it has many links and helpful suggestions to get you started. www.slagirlscouts.webs.com
